Baldwin & Clarke Supports Child & Family Services “SleepOut” to Help Raise Awareness of Homeless Children in NH

Bedford, NH- March 9, 2015 - The Baldwin & Clarke Companies, an integrated financial services leader in New Hampshire serving the needs of businesses and individuals for more than 40 years, is supporting this year’s “SleepOut” event on Friday March 20th. The show of community solidarity will be held in Stanton Park in downtown Manchester- across from the Radisson Hotel Center of New Hampshire. Child & Family Services is organizing the **SleepOut** to raise awareness and funds by asking members of the community to Sleep Outside for the night (www.cfsnh.org). The goal is to shine a light on the fact that hundreds of children in Manchester are homeless in that they do not have a safe home to sleep in each night.

Baldwin & Clarke’s Bill Conrad will be one of the members of the community taking part in the SleepOut on March 20th. Conrad also serves on the Board for Child & Family Services. “We believe that it is important for our team members at the Baldwin & Clarke Companies to be active in the community and support nonprofit work by great organizations like Child and Family Services,” said Peter Clarke. “Bill is a good example of someone in our company that takes an active role in trying to help others in our community, and in this case, children who lack the basic needs of food, clothing, shelter, and proper medical care.”
